

**AVIK DEY****Senior Vice President and Chief Financial Officer**

Avik Dey will be responsible for NOVA Chemicals' finance, strategy, information technology, and government relations teams, reporting to Luis Sierra, President and CEO. He will become a member of NOVA's senior executive committee and will be based in Calgary, AB.

Dey joins the company from the Canadian Pension Plan Investment Board (CPPIB) where he most recently served as Managing Director, Head of Energy & Resources. While at CPPIB, Dey held numerous board memberships and led the strategy to build the portfolio of one of the world's leading private investors focused on energy transition. Throughout his 20-year career, Dey has invested over US\$9Bn of private and public capital and is an established, highly regarded investor, entrepreneur, and corporate executive. He has held senior financial, accounting and control leadership positions across energy, investment management and professional sports in Canada and the U.S.

Dey currently serves as a director of Enactus Canada. He has recently served on the boards of Calpine Corporation, Seven Generations Energy, Wolf Midstream and Chaired the boards of Teine Energy and Crestone Peak Resources. Dey was named to Canada's Top 40 under 40 for 2017 and holds a Bachelor of Commerce from the University of Calgary.
