

NOVA Chemicals®

EXPRESSION OF INTEREST (EOI)

Specify which of the opportunity statements your concept aims to address (as many as applicable):

a) Mechanical Recycling

b) Advanced Recycling

c) Microplastics

Concept Title:

Submission Date:

Applicant Information (name, email, affiliation):

Applicant's credentials: A summary of skillset and expertise of your team and prior experience related to the proposed concept. Elaborate on your team's involvement in industrial collaborative projects, multidisciplinary initiatives, and achievements in sustainability-focused areas (e.g. plastics circularity and decarbonization).

Note: Consider including an additional page listing selected and most impactful publications from your team.

Non-confidential scope: Describe your concept in non-confidential terms. Elaborate on novelty and uniqueness of this concept for plastics circularity.

Benefits: Describe the expected benefits of your concept relative to existing solutions (e.g. economic metrics, environmental footprint, circularity impacts). Consider submitting a preliminary value proposition for your concept.

Budget and Timeline: Outline the anticipated resources (staff & budget) required to meet proposed objectives, as well as projected timeline. Include non-confidential details of other funding resources secured or applicable for this project.

Submit your **4-page EOI .pdf file (including the signature page & list of publications)** by the April 19 deadline to circularityCOE@novachem.com

Application Signature

By submitting this EOI, including any supporting documentation, I, in my capacity as the authorized representative of the Applicant (“**Authorized Applicant Representative**”) acknowledge and agree:

- That information contained within this EOI shall not be confidential and may be distributed or made public by NOVA Chemicals on its website or through other means;
- The Authorized Applicant Representative is legally authorized to submit this for and on behalf of the Applicant and has the requisite power to legally bind the Applicant;
- NOVA Chemicals reserves the right to reject any or all EOI’s, or to accept one or more EOI;
- NOVA Chemicals shall not be obligated to accept any EOI;
- NOVA Chemicals shall not be obligated in any manner to any Applicant submitting an EOI whatsoever until a written agreement has been executed relating to an approved EOI;
- Applicants submitting unsuccessful EOI’s will be notified after the conclusion of the EOI process;
- Applicants submitting an EOI shall be responsible for the costs and expenses of preparing and submitting the EOI and attending any follow-up meetings; and
- NOVA Chemicals shall be under no obligation at any time to disclose the nature of any EOI received.
